VISTA

Volunteers In Service To America

The North Carolina Area Health Education Center has partnered with local statewide non-profit MedServe to work cooperatively on developing health career experiences that will help set students up for success in their future health careers.

Area L AHEC

Bridging Education to Quality in Health Care
Part of the NC AHEC Program

The MedServe/AHEC Scholars Program VISTA will serve as an Advocate for Community Experience (ACE), helping grow that footprint across North Carolina so that we can continue to help transform NC communities and young people's careers.
