

# Health Careers PASSPORT

**Welcome to the Area L AHEC Health Careers Passport Program**

## AREA L AHEC

## PART OF NC AHEC

## PASSPORT FOR NC AHEC HEALTH CAREERS STUDENTS

Welcome aboard to one of the NC AHEC Health Careers programs! The NC AHEC Program was established to meet the state's workforce needs by creating a pathway for students across North Carolina to become academically prepared for a career in healthcare. We are also navigators who **engage, educate**, and provide **exploration** opportunities to pre-college students, parents, educators, and the community about the many careers in the health care workforce.

By participating in the Area L AHEC Passport Program, you have a unique opportunity to gain academic and enrichment hours towards a **Certificate of Completion** and the chance to document and collectively report in a **transcript** all the health science, community service, and leadership activities you participate in as early as 9<sup>th</sup> grade.

### Eligibility requirements:

- Student must complete an online registration form
- Student must provide parental consent
- Student must have a desire to pursue a career as a health professional
- Student must attend a high school in Edgecombe, Halifax, Nash, Northampton, or Wilson County

Starting your journey is as easy as **1 - 2 - 3!**

**STEP 1:** Complete the standardized registration form (link can be found on page 4).

**STEP 2:** Return the Parental Consent forms to Area L AHEC. Complete and email to [healthcareers@arealahec.org](mailto:healthcareers@arealahec.org).

**STEP 3:** Start participating in *approved* activities and documenting passport requirements. There are three categories: **Educate, Explore, and Engage**. Read through the list of requirements to see which activities fit your career goals best to begin. Then, begin working through your Passport!

## PASSPORT FOR NC AHEC HEALTH CAREERS STUDENTS

### Frequently Asked Questions

**1. How does the Passport benefit me?**

The Passport gives you a comprehensive portfolio of all the academic and enrichment programs and activities on your journey to a health career! It can be used as part of your college applications, scholarship applications, and interviews.

**2. When can I begin to complete the requirements?**

You can count activities as early as 9<sup>th</sup> grade and they must span over at least 2 years.

**3. I have completed an event/task in multiple grades (i.e. AP Math). Can I count that event more than once towards the minimum requirement?**

No. You may check as many boxes in that row as appropriate, but it will only count once towards your minimum requirement.

**4. Can an event I complete count in more than one row?**

No, events cannot count in multiple rows.

**5. Can I count events I completed before starting the Passport?**

Yes, as long as they were completed in 9<sup>th</sup> grade or above and you have the proof of completion requested in the Passport. Additionally, you still must complete the Passport over a span of two years and complete at least 10 hours of NC AHEC programming.

**6. Can I still get certificate of completion without completing NC AHEC sponsored programming?**

No. You must complete at least 10 hours of approved NC AHEC programming as part of the requirements. Area L AHEC events can be found on our website [www.arealahec.org/upcoming-events/](http://www.arealahec.org/upcoming-events/). Events from other regional AHECs count, and you can visit the NC AHEC statewide page at <https://www.ncahec.net/health-careers/what-we-do/> to find more. Finally, private events count as well, such as if an AHEC representative visits your classroom. Any event that AHEC sponsors or partners to hold counts.

**7. I have completed my passport. Now what?**

Once you have completed all the requirements, return the passport to your Health Careers Director for final approval. They will check for accuracy and coordinate the details regarding awards and recognition.

**8. How will I be recognized?**

Students that complete the certificate can be recognized during a local awards ceremony (at your school or with your group) if allowable by your group. You will need to arrange with the Area L AHEC Health Careers Director. You will receive an Area L AHEC Health Careers Certificate of Completion and a Passport to Health Careers transcript of your accomplishments to share with colleges or employers.

**9. Can I include this certificate of completion in college applications?**

Absolutely and we highly encourage it. This a great way to showcase your efforts, knowledge, and experience!

## PASSPORT FOR NC AHEC HEALTH CAREERS STUDENTS

### Step 1: Complete registration.

HC Program Registration - Area L (<https://formstack.io/23668>)

### Step 2: Complete Parental Consent Form

By enrolling in this program, your student will participate in the NC AHEC Passport to Health Careers initiative through Area L AHEC. This program supports students in grades 9–12 who are interested in exploring health careers by completing approved activities such as community service, leadership, and career exploration events. These experiences count toward a Certificate of Completion that is recognized by colleges and employers across North Carolina. Your consent allows your student to begin tracking their progress and participating in NC AHEC-sponsored opportunities.

#### Parent/Guardian Consent
